

## December Christmas Challenge Block

This is a 12" Finished (12 1/2" Unfinished) Block

### KAQG Christmas Party Challenge Block

Get Your Creative Juices Flowing.....\$5 will get you a bag of different items to make a gingerbread house block! All you have to do is make a 12" Finished (or 12 1/2" Unfinished) gingerbread house block using 4 of the items in the bag; you can "add" to your bag with whatever you need to make your block. Turn your block in at the Christmas party and you'll get your \$5 refunded to you and your name put in the lottery! How cool is that? Or, you can donate your \$5 to our guild charity this year - the Fisher House.

This is NOT a competition, but a lottery. One block, one chance to win...just like our normal Lottery Block process... 2 bags and you get 2 chances to win. The person's name who is drawn will win ALL of the gingerbread house blocks! (This activity replaces the monthly Lottery Block in December.) Get your thinking caps on...and bring \$5 to the next meeting to pick up your bag! There are a few guidelines for the blocks and Jennifer has all the info you need for that.
