

LOG CABIN HOUSES Full Day Workshop

Student's Supply List: Notepad and pen, scissors, rotary cutter, mat, ruler, sewing machine, extension cord and basic sewing kit. Instructor will provide colored pencils, worksheets and design grids.
Optional: 6" or 6 1/2" square ruler.

Fabric: Bring a total of 16 to 20 fat quarters in pleasing colors that will comprise your village or houses. The fabrics can be colorful or subtle; solid or printed or a combination of both. Keep the scale of prints small and geometric more so than floral. Fine stripes, checks and dots work better than grandiose flowers. Contrast within the fabrics will enable you to "show off" the roofs, windows and doors

For the Workshop I Will Need: Name tags for students, white/dry erase board (instructor will provide markers and eraser), display table, two irons and ironing boards.
